

# Grosswallstadt Equine Clinic

## Equine Dentistry Specialist

*EVDC Boarded/Board-Eligible Diplomate*

*or*

*veterinarian with considerable experience in equine dentistry*

**Grosswallstadt Equine Clinic** is a well-known centre for equine veterinary excellence, dedicated to providing innovative and advanced equine medicine. Our equine hospital features a newly built **dentistry department (2024)**, fully equipped with **standing CT, endoscopy, sinuscopy, and digital radiography** to ensure the highest standards of care. With a strong team that includes **three ECVS Diplomates**, we emphasize collaboration across all departments, fostering an environment where specialists work together to achieve the best possible outcomes for our patients.

### What we are looking for

- We seek a highly qualified equine dentist to further develop our dentistry department.
- Ideal candidate must be passionate about equine dentistry, possesses excellent clinical and strong communication skills, and thrives in a collaborative team environment.
- Deeply committed to elevating the future of equine dentistry through high-quality patient care, teamwork, and professional development.

### Your Responsibilities

- Perform a wide range of dentistry procedures
- Provide tailored diagnoses and treatment plans
- Provide guidance and mentorship to junior vets
- Engage in continuing education and stay updated on the latest advancements in equine dentistry

### Required Qualifications

- EVDC Boarded or Board-Eligible Diplomate
- Extensive, long-term experience in equine dentistry is required. We are seeking a highly skilled veterinarian with a proven track record in this specialized field
- Fluency in English is essential; German language skills are a plus
- The ideal candidate must be willing to improve their German language skills to a B2 level

### What we offer

- A brand-new, fully equipped dentistry department
- Access to advanced diagnostics & surgical facility, incl. Standing-CT, endoscopy (oro-/sinuscopy), digital radiography
- A collaborative work environment, encouraging teamwork across all specialties
- A competitive salary
- Active knowledge exchange within the Altano Group through the Altano Academy platform
- The opportunity to develop and shape the clinic's dentistry department
- Professional growth opportunities, mentorship, and continuing education support
- A great work-life balance in a thriving equine community

### Why Grosswallstadt?

- Live and work in a stunning location—close to Frankfurt yet surrounded by nature
- Work alongside **three ECVS Diplomates**
- Be part of an **innovative and progressive hospital** with the latest in equine imaging and treatment options
