

L'Université
de Montréal
et de votre
carrière.

Deeply rooted in Montreal and dedicated to its international mission, Université de Montréal is one of Canada's Top 100 Employers. Like the city whose name it bears, it is effervescent and multicultural.

UdeM attracts over \$500 million in research funding every year, making it one of the three university research hubs in Canada. It also ranks among the best universities worldwide and among the five best French language universities.

Through the achievements of the members of its community, UdeM participates in building today's and tomorrow's world.

Assistant or Associate Professor in Veterinary Dentistry

Department of Clinical Sciences, Faculté de médecine vétérinaire

The *Faculté de médecine vétérinaire* (FMV) of the *Université de Montréal* is currently seeking qualified candidates for an Assistant or Associate Professor position in Veterinary Dentistry to join the dynamic multidisciplinary team in his Department of Clinical Sciences. The FMV is located in [Saint-Hyacinthe](#), the agricultural capital of Quebec with 57 000 inhabitants. The FMV is located 60 km (37 miles) from [Montreal](#), a vibrant city with an international airport and excellent flight connections to Europe, the USA and South America. The FMV is also within easy reach of the beautiful, historic [Quebec](#) City and [Ottawa](#), the capital of Canada. The FMV is located off campus, but maintains strong collaborative ties to other faculties at the *Université de Montréal* and other universities within the province. FMV is ranked among the top 35 veterinary educational institutions in the world, according to the [QS World University Rankings](#). A structured mentorship program is available for newly hired professors. The successful professor will have the opportunity to collaborate on research activities with the *Faculté de médecine dentaire* of the *Université de Montréal*. To learn all about the FMV and discover the effervescence of its faculty life, visit [our Website](#).

The professor will work at the [Centre Hospitalier Universitaire Vétérinaire](#) (CHUV) in collaboration with several specialists - anesthesiology, surgery, dermatology, medical imaging, internal medicine, neurology, emergency and intensive care - committed to providing the best veterinary care and will be a teaching resource for future veterinarians in the Faculty. I will thus be able to consolidate the training offer in specialized veterinary dentistry and contribute to the development of those in front line dentistry. The successful professor will have the opportunity to collaborate on research activities with the *Faculté de médecine dentaire* at the *Université de Montréal*.

As a professor, you will have the opportunity to contribute to the excellence of your *Faculté de médecine vétérinaire*

Through your teaching and your research activities, enhancing the reputation of your discipline and playing an active role in the overall operations of a renowned institution. As such, you will:

- » Participate in didactic teaching of Veterinary Dentistry to undergraduate and graduate students;
- » Participate in the clinical teaching of the Veterinary Dentistry Service to DVM students and graduate students (including interns and residents);

- » Develop research activities in the field of Veterinary Dentistry;
- » Contribute to outreach activities in your discipline (publications, conferences and others);
- » Contribute to the overall operations of the University.

To succeed in this role, you'll need:

- » Doctor of Veterinary Medicine (DVM) of equivalent degree;
- » Have successfully completed a residency in Veterinary Dentistry and be a diplomate of the American Veterinary Dental College (AVDC) or the European Veterinary Dental College (EVDC) – certification no species specific veterinary dentist;
- » Applications from board-eligible individuals, as well as residents in the process of graduation will also be considered;
- » M.Sc. or an equivalent research experience;
- » Strong interest in teaching, clinical service and research;
- » Hold or be eligible to obtain a license to practice veterinary medicine in the province of Quebec (Canada) issued by the [Ordre des médecins vétérinaires du Québec](#);
- » An adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language Policy](#). An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

How to submit your application

DIVERSITY AND INCLUSION

Université de Montréal is strongly committed to fostering [diversity and inclusion](#). Through its *Equal Access Employment Program (EAEP)*, UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it.

UdeM embraces a broad and inclusive definition of diversity that goes beyond applicable laws, and therefore encourages all qualified individuals to apply, regardless of their characteristics. However, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

In order to measure the impact of its equity, diversity and inclusion actions, UdeM is collecting data on applicants identifying themselves with one of the groups targeted by the Equal Employment Opportunity Act, namely women, Aboriginal people, visible minorities, ethnic minorities and people with limitations. To this end, we thank you for completing [this self-identification questionnaire](#). The information you provide through this form is **strictly confidential** and will be shared only with those responsible for the UdeM EAEP. If you wish, you may also indicate that you belong to one of the targeted groups in your cover letter, which will be reviewed by the selection committee and the assembly of peers.

Université de Montréal's application process allows all members of the Professor's Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
